STUDENT TO COMPLETE		
Х	I progressed well	
	I made little to some progression	
	I am still experiencing some barriers which we are working to overcome	
	I made no progress since the lockdown, but working together with my supervisor/convenor on modified milestones in	
	accordance with my MoU	
	I intend to de-register from my degree (note: if you have or intend to do so this will impact 2 <sup>nd</sup> instalment funding	
	negatively)	
Any other comments		

I have completed the objectives on time as per my research protocol.

The simulation software has been developed and fine tuned and now I am in the process of running several experiments to complete the results of my masters.

I plan to finish these experiments in the next few months and start writing up the thesis towards the end of the year.
